

Results for the Brighton Multisports Kids' Aquathlon 2017

We make every possible effort to ensure that the results are accurate, checking carefully over the recorded times and the spreadsheet. However, human error and the odd technical glitch sometimes mean there can be splits missing or a mistake. We apologise if your child is impacted by this.

As a top tip – we recommend that if you look at the results and your child hasn't done as well in terms of time as they'd hoped, especially if they are new to multisports racing, maybe don't show them the table, but focus instead on how much fun they had, how proud you were of them on such a hot day, and how much you're looking forward to telling grandma/auntie/teacher all about it 😊 That way, they are likely to come back or have a go at something else.

Aquathlon 2017 Results

Year 2 and under	Girls			Swim Split	Run Split	Total Time
19	Maisie	King	Female	00:00:32	00:02:27	00:02:59
